

NAME: Dr. Marianna Ábrók

PERSONAL DATA

Nationality: Hungarian
Date of birth: 04.12.1971.
Place of birth: Vásárosnamény, Hungary
E-mail: abrok.marianna@med.u-szeged.hu
Tel: +36 62 545 399
language skills: English, German, Spanish

EDUCATION AND RESEARCH ACTIVITIES

Affiliation:

University of Szeged, Albert Szent-Györgyi Medical School, Department of Medical Microbiology, 6725 Szeged, Semmelweis u.6., Hungary (Tel.: 62 545-399) e-mail: abrok.marianna@med.u-szeged.hu

Scientific degrees and qualifications

2021 PhD degree (University of Szeged, Theoretical Medicine),
PhD Thesis: *Streptococcus agalactiae* screening of pregnant women and detection of methicillin-resistant *Staphylococcus aureus* using MALDI-TOF mass spectrometry: application and improvement of the method
2010 National Board Examination for clinical microbiology
2001 MSc Mathematics teacher (University of Szeged)
1999 MSc Biology Teacher (University of Szeged)
1996 MSc Biologist (University of Szeged)

Professional history

2023- Assistant professor, University of Szeged Albert Szent-Györgyi Medical School, Department of Medical Microbiology
2021- Quality control manager, University of Szeged Albert Szent-Györgyi Medical School, Department of Medical Microbiology
2021-2022 Assistant lecturer, University of Szeged Albert Szent-Györgyi Medical School, Department of Medical Microbiology
2014-2021 Assistant lecturer, University of Szeged, Szeged Albert Szent-Györgyi Medical School, Department of Clinical Microbiology
2012-2021 Quality control manager, University of Szeged, Albert Szent-Györgyi Medical School, Department of Clinical Microbiology
2010- Clinical microbiologist, University of Szeged, Szeged Albert Szent-Györgyi Medical School, Department of Clinical Microbiology
2005-2010 Biologist, University of Szeged, Albert Szent-Györgyi Medical School, Department of Clinical Microbiology

Research experience

Application of MALDI-TOF mass spectrometry in different areas of clinical microbiological diagnostics

Diagnostics and epidemiology of urogenital infections,

Epidemiology and resistance of bacteria and fungi

Professional memberships

Hungarian Society for Microbiology

Hungarian STI Society

European Society of Clinical Microbiology and Infectious diseases (ESCMID)
